GIO PONTI
Italy

Singer & Sons | Italy/USA

GIO PONTI (1891 - 1979); SINGER & SONS Cabinet (no. 2129), Italy, ca. 1950; Italian walnut; Unmarked; 36 1/2" x 47" x 19 1/2"; Provenance: Private collection, Pennsylvania Over the past ten years Rago has sold a number of Ponti for Signer dressers and cabinets. Some were signed, some were not. What has been consistent and reassuring is the narrative of ownership and remarkable consistent high level of quality-construction in Singer pieces. The walnut veneer here (a signature tiger like pattern) and the overall construction are absolutely consistent with our experience. Please see condition report for more information.

Estimate: \$8,000–10,000

Result: \$25,000
