DAVID HARPER CLEMONS Interface

USA, 2019 | cast pewter, oak, sterling silver, milk paint
¾ d × 18 dia in (1 × 46 cm)

This stunning necklace represents David Clemons' interest in technical processes. Inspired by the unique properties of pewter, this statement piece has been uniquely casted directly against wood with hidden interlocking connections. Pigment and texturing is used to visually represent the bond that has taken place.

All proceeds, including the 25% buyer's premium, benefit the [James Renwick Alliance](#).

Estimate: \$1,000–1,700

Result: \$1,750
